

The 13th International Chemical Engineering Congress and Exhibition (ICHEC 2026)

Tehran, Iran, 2026

Dear Distinguished Participants, Colleagues, and Guests,

It is my great pleasure to welcome you to the 13th International Chemical Engineering Congress & Exhibition (ICHEC 2026) and to express my sincere appreciation to everyone who has contributed to the success of this important scientific event, organized by the Iranian Association of Chemical Engineering (IACHE).

I would like to extend my heartfelt thanks to all the researchers and participants who submitted their valuable scientific work and shared their knowledge, experience, and achievements with us. Your enthusiastic participation has been essential in creating a dynamic and high-quality scientific program.

We received an impressive total of 720 scientific manuscripts, reflecting the remarkable interest and active engagement of our scientific community. Following a careful and rigorous peer-review process, 112 manuscripts were unfortunately not accepted, while 82 papers were selected for oral presentation and 526 papers were accepted for poster presentation.

I would like to express my deepest gratitude to the members of the Scientific Committee for their invaluable expertise, commitment, and considerable effort in reviewing the submitted manuscripts and maintaining the scientific standards of the Congress.

My special appreciation also goes to the Student Scientific Committee for their enthusiasm, dedication, and valuable contribution throughout the scientific preparation of this event. Their active involvement represents an encouraging sign for the future of our scientific community.

I would also like to sincerely thank the Executive Committee and all members of the organizing team whose tireless efforts, careful planning, and outstanding coordination have made this Congress possible.

Finally, I would like to thank each and every one of you for your presence and participation. I sincerely hope that this Congress provides an inspiring platform for scientific exchange, meaningful discussions, new collaborations, and the advancement of knowledge in our field.

With sincere appreciation,

Masoud Rahimi

Scientific Secretary
